

Cooper's Hill Cheese Rolling

Every year, people go to Cooper's Hill in England to watch a very funny race. This event is called the Cheese Rolling Race. It happens every spring, on the last Monday in May.

What happens there? People are running down a big hill after a big cheese wheel! The cheese starts rolling very fast and people start chasing it. Everyone is laughing, falling, and getting dirty.

It is not easy because the hill is very steep! Sometimes, people get hurt. But they love it!

Some people enjoy watching the race. Others like taking photos or drawing pictures of the event.

Some children are wearing funny costumes and playing with toy cheeses.

The winner is the person who catches the cheese or gets to the bottom first. The prize? The cheese wheel!

It is a very old tradition in the UK, and people love having fun together every year.
