

SANDRA'S WEEKEND

a) Read the following text

Dear cousin

Yesterday was great for me. Because my father was back to home. My father was in Spain last weekend for the business. It was the first time when we were apart. It was a tiring weekend for him, and he was very busy. My mother and I were worried about him because he was afraid of travelling by plane. After a short flight, he was safe and happy because he was not afraid of travelling by plane anymore. When he was in Spain, though it was late, he phoned us at night as he was busy. He was there for three days but it was like a decade. We missed him so much. We were very glad to see him back. There were presents in his bags for us. There was a scarf for my mother. It was silk. There was a camera for me. It was a great gift for me.

b) According to the text above match the questions with their correct answers
