Rory	Hi Ellie. What are you doing?
Ellie	I'm at the film club. We're making a ¹ <i>comedy / fantasy / sci-fi</i> film about a castle and a monster. It isn't very funny but there's a wizard and it's a ² <i>magical / musical / animation</i> film, too.
Rory	Wow, that sounds cool. Who are the ³ <i>special effects / actors / comedy</i> ?
Ellie	Fatima and Marc. Fatima is the ⁴ <i>superhero / script / ending</i> and Marc is the supervillain.
Rory	Are there any ⁵ <i>sci-fi / exciting / special effects</i> ?
Ellie	Yes, Sofia is doing them on the computer. They're really good. They make the film more ⁶ <i>fantasy / ending / exciting</i> .
Rory	And who did the ⁷ <i>script / actors / animation</i> ?
Ellie	Millie and Jack did. They're good at writing stories.
Rory	I think that's the ⁸ <i>less / more / least</i> interesting job.
Ellie	Well, it's interesting for them, because they like writing.
Rory	Great! And who is filming it?
Ellie	Lewis. He's filming the ⁹ <i>ending / popular / magical</i> now. It's nearly finished.
Rory	Well, I can't wait to see it. I love action films. I think they are the most ¹⁰ <i>popular / musical / superhero</i> type of films.
