

TAKING A GOOD PHOTO

Read the text and choose the correct word for each blank.

Children of all ages (0) _____ cameras. It's easy to pick one up and take a picture.

But you want to take a good picture. (1) _____ do you do? Point your camera carefully before you take the picture. For example, when you are taking a picture of your sister, (2) _____ you see the top of her head? Is (3) _____ a huge building behind her? Do you want it in your picture? Asking (4) _____ questions helps you to take a good photograph.

And you must think about the weather. A sunny day is best. But (5) _____ is the sun? For the best pictures the sun must be behind you.
