Alec Benjamin - Must Have Been the Wind

I heard glass shatter on the wall
In the apartment [1]_____ mine
At first, I thought that I was dreaming
But then I heard the voice of a girl
And it sounded like she'd been [2]_____
Now I'm too worried to be sleeping

So I took the elevator to the second floor
Walked down the hall
And then I [3]_____ _____ her door
She opened up
And I asked about the things
I've been hearing

[CHORUS]
She said: I think your ears
are [4]_____ tricks on you
Sweater zipped up to her chin
Thanks for caring, sir, that's nice of you
But I have to go back in
Wish I could tell you about the noise
But I [5]_____ _____ a thing
She said: It must have been the wind, must have been the wind
Must have been the wind,
it must have been the wind

So I was laying on the floor of my room
Cold concrete on my back
No, I just couldn't [6]_____ _____ _____
I didn't want to intrude because I knew
that I didn't have all the facts
But I couldn't [7]_____ the thought
of leaving her

So I took the elevator to the second floor
Walked down the hall
And then I [3]_____ _____ her door
She opened up
And I asked about the things
I've been hearing

[REPEAT CHORUS]

Aim my boom box at the roof
I'm playing 'Lean on Me'
Just so that she knows
that she can lean on me
And when she hears the words
I hope she knows she'll [8]_____ _____

Aim my boom box at the roof
I'm playing 'Lean on Me'
Just so that she knows
that she can lean on me
And when she hears the words
I know [9]_____ _____ I'll say

Promise I'm not [4]_____ tricks on you
You're always welcome to come in
You could stay here for an hour or two
If you [10]_____ _____ a friend

We can talk about the noise
when you're [11]_____, but till then
I'll say: It must have been the wind,
must have been the wind
Must have been the wind,
it must have been the wind
I'll say: It must have been the wind,
must have been the wind
Must have been the wind,
it must have been the wind
