

## Reading activity

# What's joy?

1. Read this text and then, answer the following questions.

Joy is a deep feeling of happiness that comes from within. Unlike short moments of fun, joy can last longer and doesn't always depend on outside events. People may feel joy when spending time with loved ones, helping others, or achieving something important. Joy often brings a sense of peace and makes life feel meaningful. It can be found even in small things, like a kind word or a beautiful sunset.
