What a weekend!

On Saturday morning, the living room looked really (1) \_\_\_\_\_.

There were toys under the sofa and books on the floor. I and my mon spent 2 hours cleaning them all and all the cleaning made me (2) \_\_\_\_\_. Then Mom said I was very (3) \_\_\_\_\_ and gave me a big smile, and that made me so happy.

In the afternoon, Grandma came to visit. She brought a cake that looked (4) \_\_\_\_\_. The cream on the cake tasted (5) \_\_\_\_\_ and sweet. But her lemonade was really bitter, it tasted like (6) \_\_\_\_\_.

Later, we all went to the park. I felt (7) \_\_\_\_\_ because I could run and play with my cousins. But when we got home, I started to feel (8) \_\_\_\_\_. My head hurt and I felt cold.

As soon as we got home, Mom took me to bed and gave me some warm soup. It didn't taste very nice, but it made me feel (9) \_\_\_\_\_. Mum was so (10) \_\_\_\_\_ and stayed next to me until I fell asleep.
