To: Sophie From: Max Friday 10:54 am

Hi Sophie,
I'm sorry but I can't come to visit you because I have a cold ☺. I don't have a high temperature, but I have a terrible headache. I also have a runny nose. The doctor says it isn't very serious. I must take some tablets and drink lots of water. I don't have to stay in bed, but I can't go out anywhere for a few days. It's really terrible.
How is your broken leg? Does it still hurt? It's really strange that we are both unwell at the same time. I think we should ask Mark to tell us what's going on at school. Maybe we can talk on Skype today? Is eight thirty a good time for you? It's perfect for me.

Take care,
Max
