A Luigi's
Open Monday to Friday, Luigi's is popular with people who work in the city because it's close to the train station. It can be noisy, but it's very friendly and the service is quick. Visit Luigi's if you want to try their homemade pies and excellent hot drinks.

B Burger Basement
Although it's in a basement, this brilliant café is bright and exciting. Lights of many different colours hang from the ceiling, and everyone sings along with the pop and rock songs. It's not a quiet place, but it's fun. You won't believe the low cost of the chips and burgers!

C Pancake Paradise
The latest café in town is Pancake Paradise, and everyone is talking about it. This is where all the fashionable people like to be seen, and to see each other. Enjoy the original art on the walls while you wait for your tasty pile of pancakes served with ice cream or honey.

D Sunshine Café
This is a wonderful new café which, so far, is very popular with young people. It's just a short walk from the college and offers a wide choice of soups and sandwiches at very reasonable prices. The best thing about the Sunshine Café is its outdoor seating area. Here you can have some fun in the sun.

E Green Dreams
Everything served in this busy seaside café is vegetarian and all natural. Try the carrot and spinach juice with one of the amazing salads. The prices are high, but definitely worth it. Green Dreams is owned and run by a local family who make everything fresh daily.

F Quick & Cool
As the name suggests, this is where you should come if you want quick food in a cool place. Quick & Cool only opens at the weekends, but it fills up fast so get there early! Enjoy hip hop on the loud speakers and order some spicy chicken wings. You won't wait long at Quick & Cool!**G**

Tilly's Tea-Shop
This is the perfect place to get away from the noise of the city. It's conveniently located between the museum and the railway station, and serves the best baked goods in town. They play gentle classical music there. You can choose from 20 types of tea and relax.

H Healthy Henry's
There's a Healthy Henry's café in almost every town I know. Our one is located close to the park and it's always busy. Everything is made from the freshest ingredients available ... it's nice to enjoy food that you know is good for you. The prices are pretty fair, too.

Reviews of animated films

A Aero

You'll want to see this film again and again, with a wonderful cast of animals, and folk music soundtrack sung by studio performers. And you'll learn something new about the characters each time you watch. Based on the book by a well-known author, it's a favourite for all the family.

B Magic Makers

This is a gentle film about a village of animals who all help each other through life – but things don't always go at all as they expected. In fact, they're usually far better! A beautiful, funny film with great songs you won't forget. You'll never get tired of watching it!

C Imagining

While you're watching this beautiful film, you'll also be entertained by the wonderful piano and violin music that accompanies it. It's a film for the whole family, including young children, to sit down and see together. And everyone will find that they have something in common with the people in the film.

D The Dance

Although they haven't been together for long, a group of brave dancers decide to put on a performance, and their experiences are both funny and sad. The film's message is particularly suitable for teenagers, and the animation, in the form of old-fashioned cartoons rather than created by computers, is spectacular.

E Roundabout

The pictures are so fantastic, they almost need nothing more than the piano music that accompanies them. The film focuses on some brave friends who come together to support each other in various ways, and the well-known performers saying their words bring something really special to it. The film has lots to teach teenagers.

F Terry

The pop music in this film is great, as it features the voices of top performers. The film follows a friendly tiger in the jungle, who becomes a hero to his friends. This film first came out in the 70s, and the graphics in this beautiful film have changed very little.

G Rainbow

The whole family will sing along to the songs by well-known performers in this film. Choose which of the characters is most like you – and who's your hero! From the book by teenagers' author Dylan Peters, it's been a favourite with audiences since it came out years ago.

H Constanz

This beautiful film, with simple graphics, is based on the well-known novel, which has become very popular in school classrooms. Although it's full of comedy situations and surprises from beginning to end, the film also has a serious message, and will leave you with something to think about after you've watched it.
