

Writing activity

- Write three headings; you can choose them from the blogs on p. 84 and write three paragraphs either about your country, your city or any other country you have visited. You have to add adverbs of manners to describe each topic. The Blogs on p. 84 and the listening 5.30 on p. 85 are examples of what you have to do, so read and listen to them before doing the writing activity.
- Write at least 200 words.
