

"FEAR OF THE DARK"

Song Activity

Listen and click the correct words

I am a man who walks alone
And when I'm walking a dark road / **street**
At night or strolling through the park
When the light begins to change
I sometimes feel a little strange
A little **fearful** / **anxious** when it's dark

Fear of the dark, fear of the dark
I have a **steady** / **constant** fear that something's always near
Fear of the dark, fear of the dark
I have a **dread** / **phobia** that someone's always there

Have you run your fingers down the wall
And have you **felt** / **sensed** your neck skin crawl
When you're searching for the light?
Sometimes when you're **scared** / **afraid** to take a look
At the corner of the room
You've sensed that something's watching you

Fear of the dark, fear of the dark
I have a constant fear that **someone's** / **something's** always near
Fear of the dark, fear of the dark
I have a phobia that someone's **always** / **never** there

Have you ever been alone at **home** / **night**
Thought you heard footsteps behind
And turned around and **nobody's** / **no one's** there?
And as you quicken up your pace
You find it hard to look again
Because you're sure there's someone there

Fear of the dark, fear of the dark
I have a constant **fear** / **dread** that something's always near
Fear of the dark, fear of the dark
I have a phobia that **someone's** / **somebody's** always there

Watching **horror** / **terror** films the night before
Debating witches and folklores
The unknown troubles on your mind
Maybe your **mind is** / **eyes are** playing tricks
You sense, and suddenly eyes fix
On dancing shadows from **behind** / **above**

CHORUS Fear of the dark, fear of the dark

When I'm walking a dark road
I am a man who walks alone
