If you're looking for somewhere to spend a holiday in a quiet part of the UK, then come to the New Forest! Only a two-hour drive from the ¹official language / capital city of England, it is located in the beautiful county of Hampshire, on the ²coast / border with Dorset. It is one of the most beautiful areas in the country, and is very quiet, with a ³population / language of under 200,000. If you stay in a hotel in a New Forest village, you can go on trips to the ⁴coast / desert and visit such beautiful cities as Winchester and Salisbury. If you like walking, then the New Forest is the place for you! You can look at different types of trees, follow small ⁵lakes / rivers and see the famous New Forest ponies. They are free to walk anywhere, even on the roads, and don't live in ⁶islands / fields. So be careful if you're driving, a pony could walk right in front of you! If you go to the ⁷rainforest / sea you can walk along the ⁸beaches / jungle and look across the water to some pretty ⁹flags / islands. The ¹⁰cliffs / desert along the beaches are high and can be dangerous, so don't walk too close to them. Interested in the New Forest?
