Prepare to talk about three important objects that say something about you and your life. Make some notes to answer the questions.

- 1 What are the objects? How would you describe them?
- 2 Tell a story about each of the objects. Where did you get them? Why are they important to you?

This old leather biker's jacket belonged to my dad. He wore it a lot when he was living and working in London. He'd finished university and was working as a motorcycle courier. It's a bit damaged now, but it's very special to me, even if I don't actually wear it much anymore.

Provide your talk with some photos of the objects.
