

Reading Text: Teens Describe Their Dream Homes

Lena (13, Germany):

My dream home is a big house in the mountains. It has two floors and a garden. There is a large living room with big windows, a modern kitchen, and five bedrooms. I want my own room with a big bed and a desk for my books. My favourite room would be the living room because I love sitting near the fireplace with my family.

Mateo (14, Argentina):

I want to live in a small beach house near the ocean. There is only one floor, but it has everything I need. There is a kitchen, two bedrooms, and a bathroom. I want a terrace with a hammock to relax. My favourite room is the bedroom because I can see the sea from the window.

Aya (13, Japan):

My dream home is a modern apartment in a big city. It is on the 20th floor and has three rooms: a living room, a kitchen, and a bedroom. I don't need a big house. I like small, clean places. My favourite room is the kitchen because I love cooking and eating with my friends.
