Task 3: Read the story. Complete the exercises below.

Hello, my name is Irene and I am 15 years old. I go to school every day by bus, it is safer for me. My mother goes to work three days a week and her fastest means of transport to get there is by bike. I would like to travel by plane or boat someday, I don't like to travel by train because I'm afraid something will happen. My father very much likes to use his motorcycle to go see my brother at school, although he would very much like to be able to get a car at some point or be able to acquire a helicopter in case of emergency.

I. Write True or False according to reading.

1. Irene goes to school by train.

2. His mother works three days a week.

3. She wants to travel by boat.

4. My dad uses a helicopter every day.

II. Complete the phrases with words from the story.

1. Mom's fastest means of transportation is a _____

2. She don't like to travel by _____

3. My father likes to travel in his _____

4. He would very much like to be able to get a _____
