## Laptop as Students' Friend

Conventionally, students need a book, pen, eraser, drawing book, ruler and other stuff. Additionally, in this multimedia era, students need more to reach their progressive development. Students need mobile keyboards to record every presented subject easily. Of course, it will need more cost but it will deserve for its function.

First, modern schools tend to apply fast transferring knowledge because the school needs to catch the target of the curriculum. Every subject will tend to be given in demonstrative method. Consequently, students need extra media to cover the subject. Since there is a laptop on every student's desk, this method will help students to get a better understanding.

Secondly, finding an appropriate laptop is not as difficult as it was. Recently there has been an online shop which provides comprehensive information. The best is that the shop has service of online shopping. The students just need to browse that online shop, decide which computer or laptop they need, and then complete the transaction. After that, the laptop will be delivered to the students' houses. That is easy and saves time and money.

From all of that, having a mobile computer is useful for students who want to get the best result for their studies. Buying a laptop online is advisable because it will cut the price. This online way is recommended since online shops also provide several laptop types. Students just need to decide which type they need.
