Good evening, everyone. I am Kit, your ranger. I hope you enjoyed the dinner earlier. Now before you retire to your tent for a good night's sleep, let me give you some (21)_____ about the hiking trip to Mount Uja tomorrow. First of all, breakfast begins at six o'clock tomorrow. After breakfast, we will meet here at (22)_____ o'clock to depart for Mount Uja. Please remember to bring along your drinking water to stay hydrated. We are providing some sandwiches and light snacks in case you feel hungry along the way. The hike to Mount Uja will take about (23)_____ hours. The footpath is mostly flat with some steps. Certain parts of the footpath can get a little slippery because of the morning dew. So please make sure you wear sports shoes and not (24)_____ or sandals.

By nine o'clock, we should be able to reach the foot of Mount Uja. There is a (25)_____ with beautiful scenery. There, you will spend some time exploring the flora and fauna, taking photographs and even soaking your feet in the cool water. You can even have a (26)_____ with the food we packed. Those of you who wish to continue with the climb up Mount Uja, will have another ranger, Faisal, take you. For this trip, you will only climb up to Station 1 because Station 2 is currently (27)_____ for repairs. The climb to Station 1 will take about (28)_____ hour. You will spend about half an hour at Station 1 before making your way down. You will meet up with us at the waterfall and then, we will (29)_____ to the base together. Upon returning to base, you will proceed to wash up and have lunch. After lunch, you will enjoy a free and easy time resting before more exciting activities. I will (30)_____ you with more information during lunch tomorrow. Have a good night's sleep, everyone. See you tomorrow!
