

GIVING ADVICE

A Listen to two people discuss problems. Complete the chart by choosing the correct option.

	Problem	Possible cause
Sarah		
Anne		

B Listen again. Choose the best advice each person gets.

1. Sarah: _____

2. Anne: _____

C Listen again and complete the conversation.

Sarah

Sarah: I had an appointment with the doctor the other day. She told me that I'm way too -----.

Man: Really?

Sarah: Yeah. She said I need to relax more and start taking it ----- . She said tension can cause high ----- pressure and all sorts of problems.

Man: Well, you don't want that. What do you think is ----- it?

Sarah: I think it's because I changed ----- . You know, when you start a new job, you have to learn so much! I think that's the ----- cause of the problem.

Man: Did the doctor give you any ----- or anything?

Sarah: No, actually she gave me some pretty ----- advice. She said to get a pet. Taking care of it would take my ----- off things. So I'm going to give it a -----.
