London

London is a historic and beautiful city in the United Kingdom. It is famous for Big Ben, red buses, and Buckingham Palace. London is often rainy, so people carry umbrellas. The city has many tall buildings, modern shops, and quiet parks. It is busy and lively, but also safe and clean. You can try delicious food from many countries. London is a big and bright city with a lot to explore.

Question:

How do the adjectives help you imagine the cities better? Choose one city (New York, Tokyo, or London) and explain how the adjectives make the city look different or more interesting. Give 2 examples from the text.

Example Answer

Tokyo
The adjectives help me imagine Tokyo better. The word modern shows that the city has new things like fast trains. The word clean tells me that the streets and places are nice and not dirty.

Let's learn some vocabulary
