I'm going under and this time I fear there's no one to save me
This all or nothing really got a way of driving me crazy
I need somebody to heal
Somebody to know / hold
Somebody to have/ know
Somebody to hold / know
It's easy to say
But it's never the same / arms
I guess I kinda liked the way you numbed all the pain

Now the day bleeds
Into nightfall
And you're not here / down
To get me through it all
I let my guard down / here
And then you pulled the rug
I was getting kinda used to being someone you loved

I'm going under and this time I fear there's no one to turn to
This all or nothing way of loving got me sleeping without you
Now, I need somebody to know / heal
Somebody to heal / have
Somebody to have / know
Just to know how it feels
It's easy to say but it's never the same
I guess I kinda liked the way you helped me escape

And I tend to close my eyes when it hurts sometimes
I fall into your arms / same
I'll be safe in your sound 'til I come back around
