Dear Keira,

Thank you (0) ..... your letter. I had my first day (41) ..... my new school today. A girl (42) ..... Nicole looked after me and showed me (43) ..... my classrooms were. She is very nice and I (44) ..... going to visit her this weekend.

My favourite lesson today was Maths and I was happy because I knew more (45) ..... the other girls. I also played hockey for (46) ..... first time. I really enjoyed it.

Most of the teachers seem friendly but I'm afraid (47) ..... the head teacher. No one likes (48) ..... because he shouts (49) ..... lot.

I must go now because I have (50) ..... do my homework.

It's Bella's birthday next week. What about Europa Restaurant for her birthday party? Can you book a table for eighteen of us?

She prefers Italian food to Greek food and she's not free on Monday so let's go there next Tuesday. 7 p.m. is early, so say half past when you phone.

Thanks.
