Just the way you are

Bruno Mars

Basic I

Oh, **her/his** eyes, **her/his** eyes make the stars look like they're not shinin'
Her/Your hair, **Her/Your** hair falls perfectly without her trying
I'm/She's so beautiful and I tell her everyday
Yeah, **I/we** know, I know when I compliment her she won't believe me
And it's so, it's so sad to think that **she/you** don't see what I see
But every time **she/her** asks me "Do I look okay?"
I say

When I see **your/his** face
There's not a thing that I would change 'cause **you're/she's** amazing
Just the way **they/you** are
And **when/what** you smile
The whole world **stops/continues** and stares for a while
'Cause **girl/boy** you're amazing
Just the way you **are/is**
Yeah

Her/His lips, her lips, I could kiss them all day if she'd let me
Her laugh, **her/your** laugh she hates but I think it's so sexy
She's/I'm so beautiful, and I tell her everyday

Oh **you/we** know, you know, you know I'd never ask you to change
If perfect's what you're searching for then just **stay/be** the same
So don't even bother asking if **you/they** look okay, you know I'll say

When I see **your/his** face
There's not a thing that I would change 'cause **you're/she's** amazing
Just the way **they/you** are
And **when/what** you smile
The whole world **stops/continues** and stares for a while
'Cause **girl/boy** you're amazing
Just the way you **are/is**
Yeah

The way **you/we** are
The way **they/you** are
Boy/Girl, you're amazing
Just the way you **are/is**
When I see **your/his** face
There's not a thing that I would change 'cause **you're/she's** amazing
Just the way **they/you** are
And **when/what** you smile
The whole world **stops/continues** and stares for a while
'Cause **girl/boy** you're amazing
Just the way you **are/is**
Yeah
