

2. Each sentence contains one mistake. Find and correct it.

1. Could you elaborate how the onboarding process works?

2. Let me make sure I get this straight — you want the design by Monday, right?

3. I'm a bit confuse about the part with the analytics dashboard.

4. So you say that do we need to send it today?

5. What do you mean about “brand narrative”?

6. You meaning we can skip the testing phase?

7. Could you break down it for me again? I missed that part.
