Learn brush painting

Next Friday at 2pm

Do you think art is the most interesting school subject? Then try Japanese brush painting! There are many beautiful types of art in Japan. In calligraphy you write characters very carefully with the tip of a brush and black ink. In brush painting you use a special brush to make pictures. You can paint plants, trees or your favourite animals. In this type of art you can use your imagination. What do you need? You don't need pencils. The teacher gives students black ink and brushes. Some people use very soft paper, too. You can correct your mistakes with a wet cloth.

- 1 The class is about ...
 A ☐ Japanese language. B ☐ Japanese painting.
- 2 In calligraphy and brush painting ...
 A ☐ you write characters. B ☐ you use a brush and ink.
- 3 In brush painting ...
 A ☐ you use your imagination. B ☐ you copy drawings.
