

## IELTS MOCK TEST - Academic Writing

### Task 1: Take a look at the chart below and perform the task as outlined

This graph shows the proportion of four different materials that were recycled from 1982 to 2010 in a particular country.

Summarise the information by selecting and reporting the main features, making comparisons where relevant.

**Task 2: Write about the following topic:**

*Learning English at school is often seen as more important than learning local languages. If these are not taught, many are at risk of dying out.*

*In your opinion, is it important for everyone to learn English? Should we try to ensure the survival of local languages and, if so, how?*

You should give reasons for your answer and include any relevant examples from your own experience or knowledge to support your response.
