### 2. What About Rabbits?

Rabbits are small animals. They have short fluffy tails. Some have long ears that can hear very well. These ears can be floppy. Some also stick right up!

Rabbits eat all kinds of plants. They eat in fields. They eat in gardens. Some farmers do not like rabbits. They eat the vegetables farmers grow. Sometimes the rabbits eat young trees.

When a mother rabbit is having babies, she digs a hole. She puts in soft grass. She adds her own fur. This will keep the babies warm. She may have two to ten babies. Baby rabbits are called kits.

Some people have pet rabbits. They keep them in pens or cages. They might enter them in contests. Some pet rabbits can be trained to do tricks. Grains, vegetables and grass are good foods for them.
