ACTIVITY 1:

Choose the most natural response in a business context.

1) Scenario: You're on a video call, and someone says, "Let's go with the original design."
What do you say?

2) Scenario: Your teammate says, "I think we should cancel the Monday check-in."
What do you say?

3) Scenario: In a chat, a coworker says: "We need to fix this today."
What do you say?

4) Scenario: During a brainstorming session, a colleague says: "Let's double the budget."
What do you say?

ACTIVITY 2:

Type the most natural phrase for agreeing or disagreeing.

1) A: "We should run the test again before launch."
B: "_____! It's not ready yet."

2) A: "Let's skip the product demo in tomorrow's meeting."
B: "_____, but I think the client expects it."

3) A: "Let's hire an external agency for the campaign."
B: "_____ I'd go that far. Maybe we can handle it in-house?"

4) A: "This new CRM is super efficient."
B: "_____, it's saved me so much time."
