

Sun, Moon and Stars

Watch the video and do the activities.

1. Choose the correct option.

Up there in space / the universe
 I see the sunlight/ sun
 It's hot and sunny / bright
 At night it's gone
 I put my helmet / hat on
 I take my rocket ship / boat
 I want to sail / fly up high
 So, I can say / sing

Chorus

Hello, sun!
 Hello, moon!
 Hello, starts!
 I just want to say hi
 (repeat chorus)

2. Match the lines.

Up there	the moon
I see	full
In different	moon boots on
Crescent or	→ in space
I put my	shapes

I take my rocket ship
