📝 Student Worksheet

Free Time

Activities

📌 Purpose

To develop your understanding and use of vocabulary and grammar related to free time activities. You will also practice listening comprehension skills and strengthen your ability to describe what people do in their spare time.

📚 Brief Explanation

Free time activities are the things people do when they are not working or studying. These can include hobbies, sports, or simply relaxing. Talking about your free time helps you connect with others and express your interests.

📍 Instructions

1. Follow the instructions for each task.
2. Use a dictionary if needed for vocabulary tasks.
3. Listen carefully to the audio for the listening activity.
4. Have fun and be creative!
