

### Unit 1 – Practice Test

Below are 6 questions (1-6). In each question match 3 of the words (1-6) to their definition on the right. Write the **NUMBER** of the word next to its definition.

Example:

|                                 | Words       | Definitions                                                                         |
|---------------------------------|-------------|-------------------------------------------------------------------------------------|
| E<br>x<br>a<br>m<br>p<br>l<br>e | 1. a cat    |                                                                                     |
|                                 | 2. a dog    | a <u>  3  </u> the greatest band to ever produce music; female monarch.             |
|                                 | 3. queen    | b <u>  5  </u> largest rodent, internet sensation, adorable meme generator.         |
|                                 | 4. father   | c <u>  6  </u> a lighter shade of red; the color of passion, it's my new obsession. |
|                                 | 5. capybara |                                                                                     |
|                                 | 6. pink     |                                                                                     |

  

|   | Words            | Definitions                                                                                                    |
|---|------------------|----------------------------------------------------------------------------------------------------------------|
| 1 | 1. question (v)  |                                                                                                                |
|   | 2. question (n)  | a <u>      </u> to arrive at a place or level; to stretch out your arm; the distance you can stretch or travel |
|   | 3. questionnaire | b <u>      </u> to act in response to something that has happened                                              |
|   | 4. reach         | c <u>      </u> a set of written questions used for getting information                                        |
|   | 5. react         |                                                                                                                |
|   | 6. reason        |                                                                                                                |

  

|   | Words         | Definitions                                                                                             |
|---|---------------|---------------------------------------------------------------------------------------------------------|
| 2 | 1. reasonable |                                                                                                         |
|   | 2. recommend  | a <u>      </u> to treat materials so they can be used again                                            |
|   | 3. record     | b <u>      </u> fair and sensible; not too much or too little                                           |
|   | 4. recycle    | <u>      </u> to write down or store information; a written account or audio/music stored for later use |
|   | 5. reflect    |                                                                                                         |
|   | 6. regard     |                                                                                                         |

|   | Words       | Definitions                                                                                                                                                                                                                                                                    |
|---|-------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 3 | 1. region   | <p>_____ to feel sorry about something; a feeling of sadness about something you did or did not do</p> <p>_____ to show or make a connection between things; to understand and talk about someone else's feelings</p> <p>_____ a particular area of a country or the world</p> |
|   | 2. register |                                                                                                                                                                                                                                                                                |
|   | 3. regret   |                                                                                                                                                                                                                                                                                |
|   | 4. regular  |                                                                                                                                                                                                                                                                                |
|   | 5. relate   |                                                                                                                                                                                                                                                                                |
|   | 6. relax    |                                                                                                                                                                                                                                                                                |

|   | Words                  | Definitions                                                                                                                                                                               |
|---|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 4 | 1. relevant            | <p>_____ far away in distance or time; not likely to happen</p> <p>_____ to say something; a spoken or written comment</p> <p>_____ connected to what is happening or being discussed</p> |
