

Hello / Hi
Is there anybody in there?
Just nod if you can hear me
Is there anyone at home?

Come on now
I hear you're feeling down
Well, I can ease your pain
Get you on your feet again

Relax / come on
I'll need some information first
Just the basic facts
Can you show me where it hurts?

There is no pain, you are receding
A distant ship smoke on the
horizon / sea
You are only coming through in
waters / waves
Your lips move but I can't hear
what you're saying
When I was a child I had a fever
My hands felt just like two
balloons / wings
Now I've got that feeling once
again
I can't explain, you would not
understand
This is not how I am
I have become comfortably numb

O.K.
Just a little pin prick
There'll be no more ah!
But you may feel a little sick

Can you stand up?
I do believe it's working, good
That'll keep you going through the
concert / show
Come on, it's time to go

There is no pain you are receding
A distant ship smoke on the ocean
/ horizon
You are only coming through in
waves / waters
Your lips move but I can't hear
what you're saying
When I was a baby / child
I caught a fleeting glimpse
Out of the corner of my eye
I turned to look but it was gone
I cannot put my finger on it now
The child is grown / gone
The dream is grown / gone
I have become comfortably numb
