

# BIRDY - Surrender

Strangest wilderness   
The heart drifts from hot to   
You think it can't make up its mind  
But  it's always known  
Suddenly it's  known

And if I could reach the Northern  
  
Maybe then I'd  it all  
 I try so hard to fight  
When all I want to do is fall  
Into the   
Into your , surrender

Delays on the District line  
Looking at  on my phone  
And I said I didn't  but I lied,  
mm  
Told myself I let you   
Told myself I let you go

understand

inside

always

sometimes

pictures

suddenly

cold

lights

miss you

night

go

arms

understand –  
sometimes –  
suddenly –  
lights –  
miss you –
