

3. Use the prompts to build full sentences using the correct chunk. Make sure the grammar is correct.

Example: I / see / where / you / come / from / you / consider / change / the priorities?

→ I see where you're coming from but have you considered changing the priorities?

- I / not / sure / it / best way / approach / this issue

- if / I / you / I / take / different route

- would / make sense / check / with / legal department / first?

- I / see / where / you / come / from / you / consider / use / shorter version?

- I / wonder / we / need / include / every single detail

- I / would / recommend / talk / your manager

- my experience / that / not / solve / root problem

- you / might / want / send / reminder today
