

Read the text about Economic Sectors.

Economic Sectors

In Nariño there are twelve productive sectors, the sugar cane panelera, as well as fishing, African palm, tourism, and cocoa in the Pacific region. Another important activity is the traditional food of Nariño: the guinea pig or cuy.

Cows, horses, goats, sheep, and pigs are in our region. This serves to feed the almost two million inhabitants of the department.

Now, correct the sentences.

1. There are twenty productive sectors in Nariño.
2. We can find potatoes and coffee in the Pacific region.
3. Traditional stories are an important activity in Nariño.
4. We can find elephants, giraffes, and tigers in our region.
