DREAM BIG DREAMS

Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the following questions from 31 to 36.

The smartphone is one of the most popular electronic devices today. It is a small, handheld device that combines many functions into one. With a smartphone, you can make phone calls, send text messages, and check your email. It also has a camera that lets you take photos and videos, which you can share with friends and family **instantly**.

In addition to communication and photography, smartphones have many apps that help with daily tasks. For example, you can use apps to check the weather, find directions, or listen to music. There are also apps for learning new skills, playing games, and even managing your finances

One of the great features of smartphones is their touchscreens. You can easily navigate through apps and settings by tapping, swiping, and scrolling. Many smartphones also have voice assistants, like Siri or Google Assistant, that can help you set reminders, answer questions, or control other smart devices in your home. Smartphones are also used for social media. With apps like Facebook, Instagram, and Twitter, you can connect with people from around the world, share your thoughts, and stay updated with the latest news and trends.

Overall, smartphones are very **versatile** and convenient. They help us stay connected and entertained, making them an essential part of modern life.

Question 31. What is the main idea of the reading passage?

A. Smartphones are small devices used only for making phone calls.

B. Smartphones combine many functions, which are used for communication, photography, and accessing various apps.

C. Smartphones are mostly used for playing games and listening to music.

D. Smartphones are not very useful for checking emails or social media.
