### How to pack for your holidays

by Jamie

I'm at London's Heathrow Airport. My friend Susie is looking at sandals in one of the airport's shops, Dani is trying to get some food and my brother is looking for a new camera and a book to take with him. Me? I haven't got any problems. I'm waiting for the plane to sunny Spain. And that's because I'm good at packing.

We're going on holiday for ten days, so I'm taking three T-shirts, two pairs of shorts, one pair of sandals and jeans, and one shirt. In my bag, I've got my passport and my old phone. My bag's really small.

My advice: Don't take a lot of things on holiday, and don't forget your passport!
