

Alliteration

Alliteration is a *literary device** used by writers by repeating the beginning sound in a group of closely connected words.

E.g. Lucky little ladies like lemonade

*Literary devices are anything that helps to add interest and depth into your writing.

Finish each sentence with alliteration:

1. What a wild
2. Look at the little
3. Singing in the sky
4. More monkeys
5. Books and bees are

Now write 3 sentences of your own about animals that use alliteration.
