**Task Two.** Why is this a sad song? Listening to the melody of this song, we can hear a lonely voice who longs for a former love.

**Task Three.** Listen and click the correct words.

I walked across an empty **land** / **place**  
I knew the pathway like the back of my hand  
I felt the **world** / **earth** beneath my feet  
Sat by the river and it made me complete

Oh, simple thing, where have you gone?  
I'm getting **old** / **sad**, and I need something to  
rely on  
So, tell me when you're gonna let me in  
I'm getting **desperate** / **tired**,  
and I need somewhere to begin

I came across a fallen **tree** / **plant**  
I felt the branches of it looking at me  
Is this the place we used to **want** / **love**?  
Is this the place that I've been dreaming of?

Oh, simple thing,  
where **did you go** / **have you gone**?  
I'm getting old, and I need something to rely on  
So, tell me when you're gonna let me in  
I'm getting tired, and  
I need **somewhere** / **someone** to begin

And if you have a **moment** / **minute**,  
why don't we go  
Talk about it **some** place / **somewhere** only we  
know?  
This could be the end of everything  
So, why don't we go somewhere only we know?  
Somewhere only we know

Oh, simple thing, where have you gone?  
I'm getting old, and  
I need something to **depend** / **rely** on  
So, tell me **when** / **where** you're gonna let me in  
I'm getting tired, and  
I need somewhere to begin

And if you have a minute, why don't we go  
**Talk** / **Speak** about it somewhere only we know?  
This could be the end of everything  
So, why don't we go?  
So, why don't we go?

Ooh, oh-oh  
Ah, oh

This could be the **end** / **start** of everything  
So, why don't we go somewhere only we know?  
Somewhere only we know  
Somewhere only we know
