## **Task 3: Read the text and choose True or False.**

Tom's birthday is on the 5th of June. He invites all his friends to his birthday party every year. His favorite part of the party is eating cake and playing with his friends. Tom also loves receiving gifts. Last year, he got a toy car. This year, he **hopes\*** (**hi vọng**) to get a skateboard. Tom's sister, Emma, has her birthday in December. They always have a small party with family on her birthday.

1. Tom's birthday is on the 5th of June.      True      False
2. Tom does not like eating cake.      True      False
3. Tom received a toy car last year.      True      False
4. Tom's sister has her birthday in November.      True      False
5. Tom hopes to get a skateboard this year.      True      False

### Task 4: Listen and match.
