Dance for Fun

"When you are dancing you are not only moving your body, you are also communicating. Your mind is experiencing new ideas. Many dancing schools can help you to **improve** your skills. You can practice different styles: traditional, modern, classic, urban, etc. And, if you work hard, maybe you can be part of a dance competition.

There are many championships. One of them is the famous World Hip Hop Dance Championship. In this competition, teams from over fifty countries participate, and competitors are trying to show the culture and art of their countries. In this kind of championship, there are various categories and styles, like breakdancing and hip hop. In these events, you can meet great dancers and artists from different cities around the world. What style of dancing do you like to practice?
