## TRAVELING

Read the text and do the exercise below.

Describe a trip you would like to have in the future.

You should say:

Where you would like to go

Who you would like to go with

What you would like to do

And explain why you would like to have this trip

One trip I would love to take in the future is a journey to Da Lat City in Vietnam. It's located in the Central Highlands and is renowned for its cool weather, stunning scenery, and serene atmosphere.

I'd like to go there with a group of close friends. We've been talking about taking a short getaway from the hectic city life, and Da Lat seems like the perfect destination. It's not too far from where I live, and the travel costs are pretty reasonable.

During the trip, I'd love to explore the flower gardens, visit local markets, and try delicious street food, such as grilled rice paper and soy milk. I'm also interested in visiting Tuyen Lam Lake and the famous Crazy House, which has such a unique design. We could even go hiking or rent motorbikes to enjoy the beautiful pine-covered hills.

The main reason I want to have this trip is that I need a break to recharge my energy. Life has been quite hectic lately, and Da Lat would be the perfect place to relax, reconnect with nature, and create lasting memories with my friends. Additionally, the cool weather would be a welcome change from the hot and humid climate I'm accustomed to.

All in all, I believe this trip would be both refreshing and meaningful, and I really hope it can happen sometime next year.
