

FICHA INTERACTIVA MATEMÁTICA– 2°

Ficha de Refuerzo N°2

Resuelve el siguiente problema:

Keny y Amaru quieren saber cuántas canicas juntaron. Para ello, las han agrupado en bolsitas de 10 en 10.

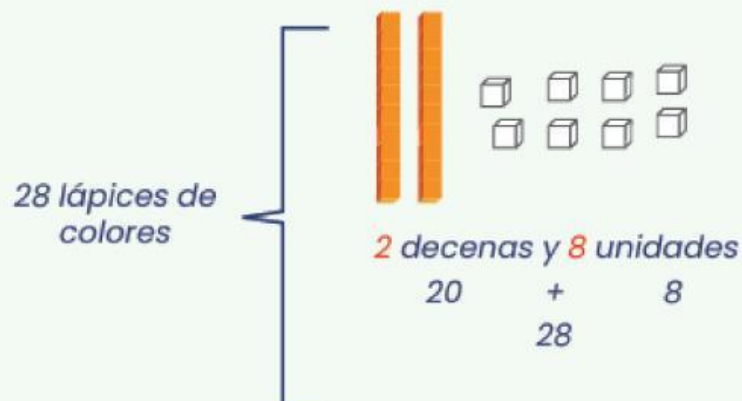

Entonces

Keny tiene _____ D y _____ U en total, _____ canicas

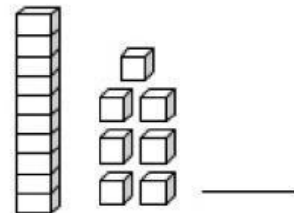

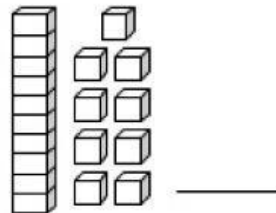

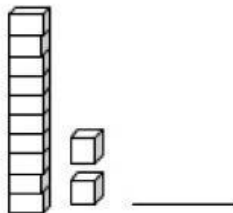

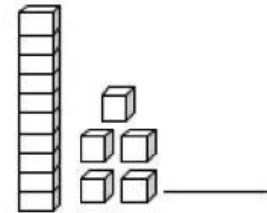

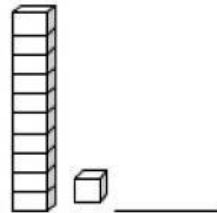

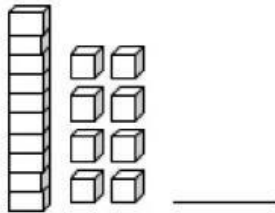

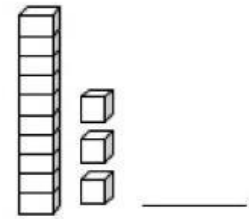

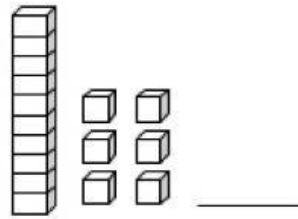

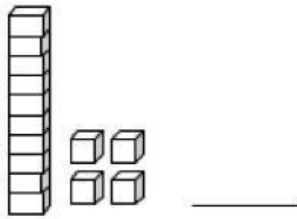

Amaru tiene _____ D y _____ U en total, _____ canicas

¡Recuerda!

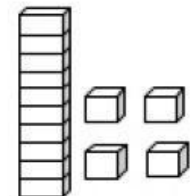

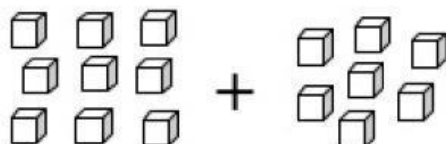

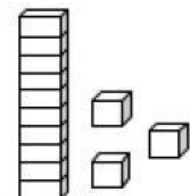

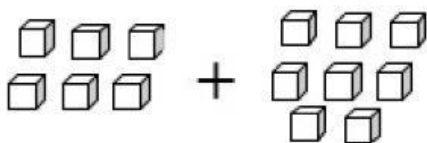

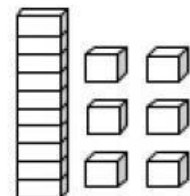

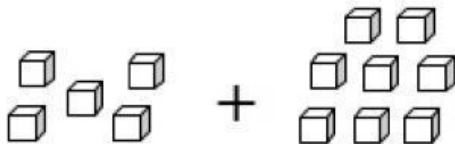

Podemos representar una cantidad de diversas formas, usando el material base diez.

Escribe el número correspondientes:

Suma las cantidades y une con su resultado:

Pinta el número correcto:
