

Complete Peter's email. Write the simple past of the verb in parentheses.

Hi Julie,

Hello from New Orleans! Today was the second day of my visit. Last night, I listened^{1 (listen)} to some jazz at a club on Basin Street. This morning,

I visited^{2 (visit)} the famous Café du Monde

and enjoyed^{3 (enjoy)} a great breakfast. Then I

walked^{4 (walk)} around the French Quarter. I didn't plan^{5 (not / plan)} to buy anything, but there was

a T-shirt I really liked^{6 (like)}, and it was only \$10. I tried^{7 (try)} to visit a museum,

but it was closed. I also wanted^{8 (want)} to take a boat ride on the Mississippi River, but there wasn't time today. Maybe tomorrow.

Love, Peter
