My new friends

I'm from the USA, but my family and I are living in the UK at the moment because my parents are working here. I haven't got a lot of friends. When I meet somebody for the first time, I'm sometimes nervous, and I don't know what to say. It's difficult to get to know people. I'm a new student, and my new best friends, Tina and Netta, help me a lot.

They live near me, and they meet me at the school bus stop every morning. They talk to me in the break, and they sit next to me at lunch. We do the same activities at after-school clubs – Drama and Music – and we have fun together before we go home. Tina likes History, and she tells terrible jokes, but we laugh a lot. Netta is good at sport, and we go running three times a week. Tina doesn't like sport – she likes singing. On Saturday and Sunday, we enjoy listening to music together, and sometimes we play video games, but we enjoy shopping most of all!
