(Let's                    )

(Let's dance) Put on your red                    and                    the blues

(Let's dance) To the                    they're playing on the

(Let's sway) While colour lights up your

(Let's sway) Sway through the crowd to an empty

If you say                    , I'll run with

And if you                    hide,                    'll hide

Because my                    for you would                    my heart in two

If you should                    , into my arms and tremble like a

(                    dance)

(                    dance)

(Let's dance) For                    your grace should fall

(Let's dance) For fear                    is all

(Let's sway) You could                    into my

(Let's sway)                    the moonlight, the serious moonlight

And if                    say run,                    'll run with you

And if you say                    , we'll hide

my love for you would break my heart in

If                    should fall, into my                    and tremble like a flower

(Let's dance)
