Reading

11 Read the text. Where does David's dad work and how many hours does he work? (2 points)

Do you have a parent with an interesting job?

David, 11 years old

Yes, I do! My dad has an interesting job.

On Monday evening, he takes a shower, gets dressed, has dinner, and leaves home at 9:00. He starts work at ten o'clock at night. When he finishes work eight hours later, it's six o'clock on Tuesday morning. How is that possible? He's a driver on the night train.

My dad drives the train for eight hours. It's a long time, but he also gets a break. He never has a big meal, like rice or vegetables. He prefers to eat a snack, like fruit or a cheese sandwich.

It's a difficult job, and he's often tired when he gets home, but my dad loves it. Am I happy about his job? Yes! I'm lucky because I spend time with him after school every day. We play soccer or go climbing. I also sometimes go with him on the train. It's awesome!

12 Read the text again and answer the questions. (8 points)

- 1 What does David's dad do before he starts work?

- 2 What does David's dad eat on his break?

- 3 How does David's dad feel when he gets home?

- 4 Why is David happy about his dad's job?
