Reporting the legend

Objective: Develop student's journalist skills and interview people living around the church to know their opinion about this legend.

Instructions:

- Students have to work in groups of 3
- Investigate elderly people who live in the surroundings of the church.
- Record a video about the interview to the people
- Ask questions like:
  - What do you think about this legend?
  - Are you a religious person?
  - What other ending would you give to this legend?
  - What is the impact of this legend in Quito?
- Take some pictures of the church.
- Present the interview and pictures in a podcast.
- Investigate if there are similar stories in other countries.

In this part, transcribe the answers of your interview.
