Listen and repeat these sentences and memorize the pronunciaiton of the words in red.

1. The story starts with a pirate crew taking over a freighter, but they find almost no money inside and turn against their captain. This shows how dangerous the pirates are.

2. On the planet At Attin, we meet four kids: Wim, Fern, KB, and Neel. Wim dreams of adventure beyond their quiet home, while Fern rebels against her mother's strict plans by racing bikes.

3. Wim finds a hidden entrance in the forest that he thinks is a Jedi temple. The kids explore it but accidentally get trapped inside a large, old spaceship.

4. Inside the ship, the kids worry about running out of air and supplies. Wim and Fern argue, but Wim finds the ship's bridge, showing his curiosity and leadership.

5. Wim's father looks for him after he goes missing, showing family concern and the kids' risky situation.

6. The kids meet a broken pirate droid named SM-33, who joins them on their adventure.

7. The ship activates by itself and suddenly sends the kids and SM-33 into hyperspace, taking them far from home.

8. They arrive at Port Borgo, a dangerous pirate hub, where the kids are attacked by pirates interested in Wim's old credits and the mystery of their home planet At Attin.

9. The kids are captured and locked in a prison cell, where they meet a mysterious cloaked stranger who uses the Force to help them.

10. This stranger is revealed to be Jod Na Nawood, a Jedi, who might help the kids on their journey back home.
