

DATING APP

Indefinite Pronouns

Read the text and answer the questions. (True-False)

I'm in trouble! I'm going to tell you why; there is **no one** in this world as shy as me. That's the reason why I don't usually go on a date with **anyone**. Two weeks ago, **something** changed this. I decided to use one dating app and create a profile. I was sure that no one would ever accept to go out with me.

Last night I got a message; "I really would like to go out with you **somewhere** nice." Honestly, I'm terrified because I don't have **anything** planned. **Somewhere** nice? I never go **anywhere** besides my house and my office. That's not the worst part, the date is in two days. I really need to think about **something** quickly, I want to do this; I just don't know how. I will do **everything** I can to make this work. Sometimes thinking about finding **someone** to share my life with makes me feel excited. Can you imagine? Going **everywhere** with **somebody** who really understands you and wants **nothing** but to be happy with you. That must be nice! **Nobody** can say it's easy but I guess deep down, **everyone** wants the same.

1. He is confident and sociable.

DATING APP

2. He doesn't usually have dates.
3. He knows exactly where to go for his date.
4. His date is in two days.
5. He wants to find someone special

Look at the following tips for a date. Complete them using the correct indefinite pronoun. For some of the lines, multiple options are possible.

- Be punctual. _____ says more about how interested you are about your date than punctuality.
- Don't say _____ about your ex. _____ is really interested.
- Think about the place for the date beforehand. Look for _____ comfortable and with a nice atmosphere, avoid noisy places.
- Pay attention to _____ the other person likes. If your date goes well, you can use this information to prepare _____ special.
- Find _____ who shares common interests and goals.
- If you want to say _____, say it! A person who is able to communicate is always attractive.
- If you are going to use dating apps be careful with the information you share. _____ can use this information against you.
- Don't be afraid to ask questions about preferences,
