

CITIES

READING COMPREHENSION

Read the city description and draw.

Hi! My name is Alan. I am 10 years old. I live in New York City with my mom, dad, and sister. New York City is big and fun!

In my city, there is a tall building. It is called the Empire State Building. There is a big park. It is called Central Park. People walk, play, and relax there. There are many museums. You can see art and old things.

There are many restaurants. You can eat pizza, hamburgers, hot dogs, and ice cream. I like pizza and ice cream! There are yellow taxis everywhere!

In New York City, you can visit the Statue of Liberty. You can walk in Central Park. You can see animals in the zoo. You can go on a boat. You can eat yummy food at food stands. You can go shopping in Times Square, too!

I love my city!
